Pastor Wayne brought a motion to the committee to begin having Sunday afternoon services behind the church, beginning this Sunday. There is certain criteria that would need to be met each week, however, in order to meet outdoors. It must be 45 degrees in temperature or above and the wind must be 10 miles per hour or below. Jim C. Second the motion and the motion was carried.

The 11 a.m. service will still be on Zoom as usual for those who cannot come to the in person service.

It was also discussed that we could possibly move the meeting to the John Knox Center in the future since we had such a good turn out there before.

Wayne T. suggested that the church remain closed until the February CLC meeting at which time it would be discussed again. Suggestion was approved.

It was also discussed that we need to change the time of our monthly CLC meetings to 7 p.m. to accommodate new members who were having a hard time, because of work, making the meeting at 6 p.m. Suggestion was approved.

Wayne T. discussed that the CLC retreat is currently scheduled for Saturday, January 30. This would include the regular January CLC meeting. The logistics of the meeting are still being finalized and further information will be sent out to the members when completed.

The meeting was closed in prayer by Pastor Wayne at 6:31 p.m.
